

57. YOU TWO! : TO CAIUS JULIUS CAESAR

Beautifully matched the perverse buggers,

Mamurra [p. 219] the catamite and *Caesar* [p. 203].

No wonder: both equally spotted,

one from Formia, the other the City,

marks that remain, not to be lessened.

diseased the same, both of these twins,

both somewhat skilled in the selfsame couch,

this one no greedier an adulterer than that,

rivals in shared little girls.

Beautifully matched the perverse buggers.
