

54. OH *CAESAR*! [p. 203] : OF OTHO'S HEAD

tho's [p. 223] head is quite tiny,
and it's owner's legs loutishly unclean,
soft and delicate is *Libo's* [p. 218] farting:
if not with all that, then let me displease you
with *Sufficio* [p. 233], old age renewed...
again let my worthless iambs
rile you, our one and only general.
